Dear Chuck:

Congratulations! You have been selected as a 2008-09 UVSELF Fellow. I am confident that your involvement in the UVSELF program will enrich your personal and professional experience in higher education administration here at UVSC.

Please plan to participate in the opening retreat at Daniels Summit (Hwy. 40 Daniels Summit pass, Heber City, UT; Lodge 800-519-9969) beginning Thursday, July 17 at 1 p.m. and ending Friday, July 18 by 4 p.m. Attendance at this event is mandatory because the cohort will work together to determine its focus for the coming year. If you are unable to attend, please notify Cameron Martin, Assistant to the President, as soon as possible.

Each fellow will be provided hotel lodging for the retreat (we have made the reservations for you). We encourage you to include a spouse or special guest who may participate in the retreat's social opportunities Thursday late afternoon and evening, which will include dinner. You will soon receive additional information regarding the retreat—meeting schedule, activities to participate in with your spouse or special guest, and any other expectations. Remember, there will be eight day-long seminars which will be scheduled throughout the upcoming academic year. The dates and the content of the seminars will be finalized at our July retreat.

While I serve as Forum Chair, I have requested that Cory Duckworth, Vice President for Student Affairs and Strategic Planning, to serve as Forum Director, and Cameron Martin, Assistant to the President for Institutional Development and Planning, as Forum Assistant Director. Please feel free to approach any of us with ideas you might have to make this a rewarding experience.

Sincerely,

William A. Sederburg
President
