To Whom It May Concern:

It is with great pleasure and respect that I write this letter of recommendation on behalf of Charles Allison.   I have known Chuck for more than a year and have worked closely with him on the UVU President's Council and other various campus committees. He has always been a great voice of reason and delight to work with. He truly shows that he is dedicated and interested in doing what is right for the organization as a whole, while fulfilling his responsibilities as Faculty Senate President.

Chuck has a strong understanding of the various functions of our University and the dynamics of working with people. His expertise and skill at managing multiple tasks simultaneously while under pressure and facing deadlines is admirable and rare.   He has continuously shown courage and unrelenting hope while accomplishing tedious tasks. His loyalty and dedication are qualities that benefit the whole team he works with.

As a representative of the UVU faculty he has been exceptional. He has an in-depth knowledge of the needs and wants of his constituents and who and how to get things accomplished. He has all the skills necessary to make him a worthy candidate of representing others accurately.   His has a boldness that makes him worthy of fearlessly communicating the immediate and pressing issues. His ability to review and creatively analyze policy and procedures is exceptional.

I would highly recommend Chuck Allison as a top candidate for promotion and any position he has interest. The student's have enjoyed working with his as a professor. The faculty has been able to rely heavily on him as their Faculty Senate President. I have thoroughly enjoyed working alongside him.

If you would like to speak to me about this letter or other qualifications of skills that Chuck has please call me at (801) 787-0443.

Sincerely,

Trevor Tooke
UVU Student Body President 2009-2010
